TABLE 5: COMPARATIVE PRICES OF SELECTED COMMODITIES	6

Highlights

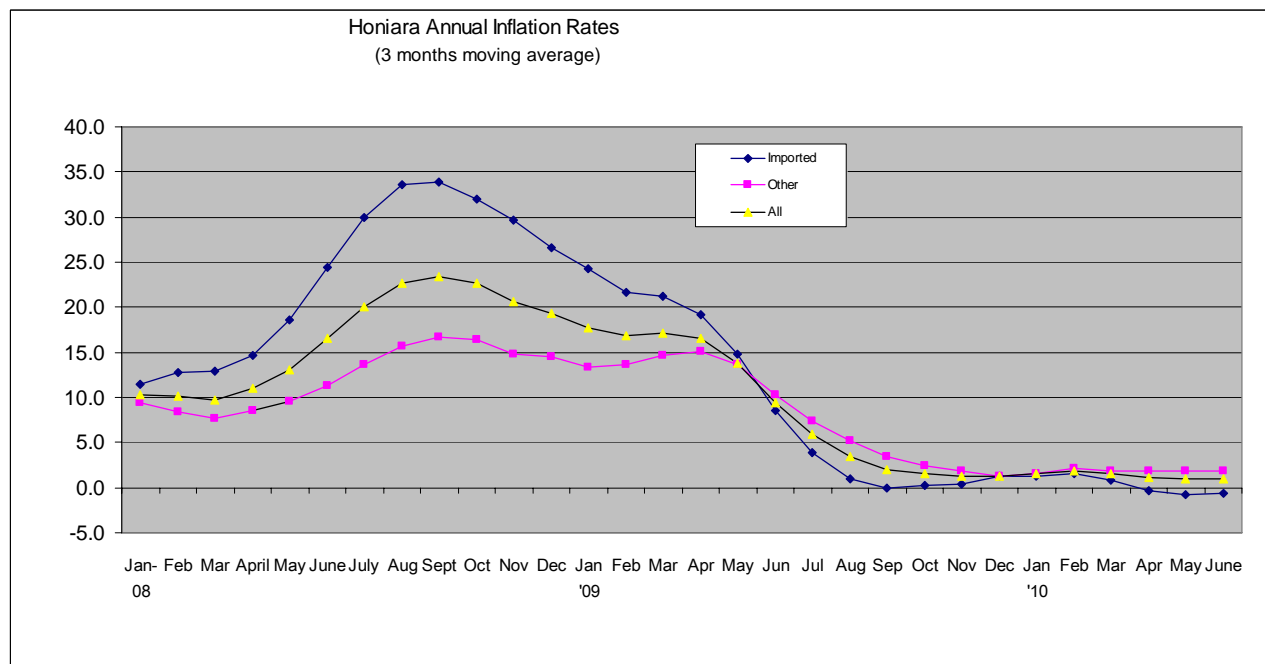

The Honiara Consumer Price Index for June remained stable at 147.6. Although increases were recorded in most sections of the index; these were offset by declines in the price of fresh fruit & vegetables, as well as betel-nut prices, resulting in the index remaining steady in June.

Fresh fruit & vegetable prices fell on average by 4.2% in June driven by declines in the price of bush cabbage (which dropped 16% to \$8.74/kg), chinese cabbage (-32% to \$11.31/kg), melon (-24% to \$5.07/kg), green pepper (16% to \$17.60/kg), and cucumber (-23% to \$3.42/kg). These outweighed increases in the prices of kumara (which rose 6% to \$3.25/kg), cassava (8.5% to \$2.16/kg), second grade taiyo (2.6% to \$6.67/180g can), noodle (1.4% to \$2.96/85g pkt) and other minor price increases elsewhere in the food section resulting in a 0.9% drop in the overall Food sub-index. The Drinks & Tobacco sub-index also fell 0.9% on account of a 5% decline (from \$0.56 to \$0.54/nut) in the price of betelnut.

Increases in other sub indexes were as follows:-

- Housing & Utilities was up 0.2% due to a rise in the price of LP gas, partly offset by a drop in electricity charges. The cost of refilling a 10kg cylinder rose by \$22.50 (26%) to \$108.5 whilst the cost of using 40 units of electricity fell by \$12.20 (6.7%) to \$168.8.
- Household Operations rose by 3.4% driven by increases in the prices of cooking stoves and household furniture. The price of a standard 4 burner cooking stove rose \$2,116(39%) to \$7476 whilst that of furniture, notably a standard dining table went up by \$205 (11%) to \$1,825.
- Miscellaneous Items was up 2.2% on account of increases in the prices of perfumes and bath soaps.

Apart from the above price changes elsewhere in the consumption basket were negligible.

The annual inflation rate to June 2010 calculated on a 3-month moving average basis remained steady at its May level of 1.0%. The inflation rates for imported and other items were -0.7 % and 2.1% respectively.
